

Policy: Casino Use by Staff
Effective: 3/1/2001
Revised: 9/16/2025
Department: Human Resources

## **POLICY**

In order to make use of the Barona Resort & Casino facility while off duty, staff members must be completely out of uniform and in street attire. A staff member may only use our gaming facility on his or her time off and must also be out of uniform. Depending on the nature of the staff member's position, the staff member may not be allowed to participate in certain gambling activities; staff members should consult their supervisor to determine which gambling activities are not permitted. Violation of this policy may result in corrective action, up to and including termination.

The Casino Use by Staff list details, by position, which gambling activities are permitted as well as eligibility to become a Club Barona member. Any temporary or long-term change in employment status, like promotions, transfers, dual-rate positions, prohibition from gambling at the direction of the Barona Gaming Commission, etc. will affect this privilege. The privilege of obtaining and maintaining a Staff Club Barona card is at the discretion of the Barona Gaming Commission. Staff members whose position title is not listed are prohibited from any gaming activities until it has been added.

Staff members are responsible for knowing in which gambling activities they can participate, regardless of whether or not they obtain a Club Barona card.

## **Staff Club Barona Membership Exceptions**

Barona staff members, regardless of their Club Barona card status, will not be eligible for the following:

- Participation in Special Events and Promotions, unless specifically designed for staff members
- Casino Managers' promotions and/or events
- Hotel comps
- Cash for comps (CFC)
- Any comp that can result in over-comping
- Annual NCL Cruise
- Playing any progressive gaming machines or participating in any progressive wagering at table games. Any progressive gaming machine jackpot, or table games jackpot (including progressive payouts of any amount) won by a staff member is forfeited and voided. (Note: Wide area progressive gaming machine jackpots are forfeited and the vendor is notified by an Assistant Slot Shift Manager or above that the jackpot is invalid.)
- Staff Club Barona discounts cannot be combined with staff discounts. Staff members will receive the higher of the two.
- Staff members who are promoted, transfer, or move to a dual-rate position that is not eligible for Staff Club Barona will no longer be able to access their account or be eligible for Staff Club Barona benefits, including redeeming any outstanding cash offers, comps and points.
